ITCStrategies -
Partnering in Compliance

March 31- April 1, 2009

Huntsville Alabama

Embassy Suites Huntsville

800 Monroe Street, Huntsville, Alabama 35801

ITC Strategies, LLC
1909 Aquinas Drive
Gambrills, MD 21054
443-995-4598

Program and Format:

This is an interactive seminar that combines training on Export and Customs Compliance with practical guidance and exchange on industry best practices in developing and maintaining successful Compliance Programs. The training will focus on the US Government regulations associated with export and import controls including, Customs, Commerce, State, OFAC, BATF and Census. Participants will be provided copies of all slides used by the instructors and a workbook binder. Questions are welcomed throughout the sessions and can also be provided in advance by email.

You are encouraged to email specific questions you would like to see addressed and discussed at the seminar. Please send your questions or topics of interest to: marc.binder@itcstrategies.com

THE INSTRUCTORS

Marc Binder

Marc is a Licensed US Customs Broker and has been active for over 25 years in the International trade and Logistics field. He has experience working Import and Export Compliance Issues at both the business unit and the Corporate levels. He has held Import/Export Compliance responsibilities for major corporations such as RCA, GE, Lockheed Martin, TRW, and Goodrich. Marc currently has appointments to the Department of State, Defense Trade Advisory Group (DTAG), and the Department of Commerce Regulations and Procedures Technical Advisory Committee (RPTAC). Marc has been a regular speaker at SIA Conferences and has spoken at numerous other conferences and training sessions around the world.

Gregory Creeser

Gregory has been working for over 12 years in the export compliance field. Gregory held the position of Corporate Director for International Trade Compliance with Goodrich Corporation's Washington Operations Office. In this position, he was responsible for assisting the export and import compliance programs and international trade requirements for 3 major Aerospace sectors with over 100 facilities located throughout the United States and overseas. Prior to Goodrich, Gregory held the position Corporate Manager for Export Licensing within TRW's Washington Operations office. Gregory was formerly a licensing officer with the Directorate of Defense Trade Controls at the Department of State. In that role he adjudicated export license applications relating to categories I, II, III, XI and XII as well as Commodity Jurisdiction requests. Gregory has been a regular speaker at SIA Conferences and has spoken at numerous other conferences and training sessions around the world.
